HELLO!

About us

Trunki started trading in May 2006. Since then we've gone on to sell over 3 million of our much-loved ride-on suitcases across nearly 100 countries worldwide.

We have a range of colourful, exciting travel products that are the ideal companions for any journey, whether it's a weekend at grandma's or a long haul flight.

Our current collection includes:

Trunki - The original ride-on suitcase.

ToddlePak Backpack - Be safe & seen backpack range.

EAT Range - Our newest range of foodie travel accessories for eating on the go.

PaddlePak - The splashproof backpack for little explorers.

ToddlePak - Fuss-free toddler reins.

Yondi - Head and neck support designed for high back car seats.

BoostApak - Car booster seat that doubles as a backpack.

We understand that whilst parents buy products, children make friends with them, so everything we create has the functionality grown-ups value and the personality that kids adore.
