Welcome to Aurora World Everyday 2018 catalogue.

Dear Friends,

2017 was a banner year and we cannot thank you enough for your valued partnership and continued support. Here at Aurora, we are dedicated to designing and producing the most innovative products for you, our retail partners. This year in 2018, we are excited to debut an exciting product line with many new collections, never-seen-before innovative fabrics and strong extensions of our core lines and best sellers.

As you turn the pages of the 2018 catalogue, Aurora has new and exciting designs in both our proprietary and licensed categories. The Luxe Boutique is a brand new line which is a high pile plush collection using exquisite materials across various animals and piece types. Introducing Dippity Donkey, a super soft nursery range in neutral mocha colours with aqua accents. This line also comes with gift packaging... simply beautiful.

Aurora's best-selling mystical line Sparkle Tales introduces new sparkling Unicorns, dragons and friends to the Sparkle Tales World. This range comes in vibrant colours with glittery and sparkly accents.

Our Miyoni line, introduces stunningly realistic Jungle animals, Sea Sparkles, the magical mermaid collection, has new mermaids with a bride version. Brand new Flopsies infuse many new designs from Pugs to Alpacas' to Swans. Fancy Pals comes with fabulous new characters including a French Bulldog, Pug and Penguin to name a couple of the new introductions and our fabulous neutral Gigi Baby range is now available in pink and blue.

Best-selling character and content brand, YooHoo and Friends®, continues to expand globally on all platforms. Series #2 introduces in the tokidoki brand with more Mermicornos and Unicorns, plus a new character family, Moofia.

Of course, the catalogue would not be complete without our wonderful licensed products including new We're Going On A Bear Hunt and firm favourites like The Gruffalo, Moomin, Peanuts, Stick Man and many more.

We take product safety very seriously at Aurora and are proud of our rigorous quality assurance procedures. All of our plush toys are safe from birth onwards unless otherwise stated and are tested and comply with the latest EN 71 regulations as well as all other relevant elements of the European Toy Safety Directive.

The entire Aurora family is dedicated to serving our retail partners by continuing to provide the highest quality design and materials at a strong price value, efficient customer service and operational support. Your loyalty is treasured by all of us here at Aurora and we wish you happiness, health and success in 2018.

CuBY Zoo

© Aurora

Cuby Zoo follows the adventures of 5 cube-shaped animal friends that are a force of goodness and fun in the universe! They go about their way with no desire to be discovered, coming to life to play and explore only when they are left alone and no humans are nearby. These kind-hearted and sometimes mischievous creatures play a secret yet vital role in maintaining the balance in the world.

DONUTELLATM

and her sweet friends

Donutella comes from a planet where sugar is used as energy. One day while out scouting the milky way for a new fuel source in her donut U.F.O., Donutella discovered planet Earth. On Earth, Donutella was excited to find a lot of sweets and treats to fuel herself and her people. Almost instantly Donutella realised that it would be much better to start a sweet colony here and invite all of her friends than to go back home.

Moofia™

Mozzarella leads the Moofia. The Moofia was assembled to extort milk from the lunchboxes of schoolyard bullies. Mozzarella is loving and kind to good kids but ruthless and feared by those who harass the innocent. By taking the milk from the bad and giving it to the good, the Moofia know the good will grow up strong and healthy to protect themselves. Milk is power. Milk is protection.

One special night, a group of Unicorns were flying in the direction of falling stars. The falling stars were disappearing into a sparkly sea, which transformed them into starfish while changing snowflakes into jellyfish. They rode the tail of a shooting star into the magical sea, turning them into enchanting creatures of half Unicorn and half fish. One day while following migrating dolphins, they discovered the surface of our world. Thus began the legend of the Mermicornos, rumoured to only resurface during a lunar eclipse.
